

Skokie Preparing for Amateur Golfers: 300 Athletes in Collegiate Games

COURSE IN GREAT SHAPE FOR CHAMPIONSHIP PLAY

CHICAGO, June 16.—Elaborate arrangements for handling the national open golf championship are in preparation by the Skokie Country Club, whose links, from July 10 to 15, will be the scene of probably the greatest international golf contest ever staged. Most of Great Britain's best professionals and amateurs and all of the leading golfers of America, as well as the champions of Australia, China and possibly Japan, will compete for the title now held by James Barnes of New York.

The links are in fine shape with perfect turf and Chairman John Link has arranged some remarkably fine tees from which the player can get every third possible to goldform, when he tries to shoot so as to get an advantage point for his second shot to the green and at the same time avoid the numerous sandfaced bunkers that have been provided at the direction of the home professional, Paul Gaudin, a veteran British player until seven years ago. Gaudin has played the present course in a record 67, but it is said to be all but impossible to beat the par of 70 on the reconstructed course that will be used during the meet.

D. C. GOLFERS FARE WELL IN THE MIDDLE ATLANTIC

WILMINGTON, Del., June 16.—With seven Washington golfers in the first flight, the chances today for the capital having a player in the finals of the Middle Atlantic championship, which started yesterday over the course of the Wilmington Country Club, appeared good. Although J. Simpson Dean of Wilmington, former intercollegiate champion, won the qualifying medal with a fine card of 73, Donald Woodward of the Columbia Country Club was in second place, with 77, while Guy M. Standifer of Columbia, the District champion, had 78.

Marshall Whitlatch of Chevy Chase, a former District titleholder, had 79, while Albert R. MacKenzie of Columbia, although he took a 9 on the sixteenth hole, had a card of 81, to finish in a tie with Walter R. Tuckerman of Chevy Chase. Hugh McKenzie of Columbia, with 83, and Roger Coombs of Kirtland, with 82, were the other Washington players to make the first flight.

Standifer was opposed to Dean in the first round, while two Washington men met when Donald Woodward and Roger Coombs were scheduled to trade shots. Tuckerman was scheduled to meet Thomas C. Sasser of the Maryland Country Club.

Wilmington Country Club won the team competition, played in connection with the qualifying round, in a quarter-final match with the Washington team, composed of Standifer, Woodward, Hugh MacKenzie, A. R. MacKenzie, and J. Simpson Dean. Stevenson was called to New York yesterday afternoon and will not be able to play in the tournament.

The Washington Golf and Country Club team, composed of G. E. Truett, J. Holt Wright, Charles Mackall, John C. Davidson and John H. Davidson, was in third place in the team match. Low net honors went to Hugh MacKenzie of Columbia and W. B. Den-

Mrs. Winnifred Ellis and Marywell Wakeford reached the semi-finals yesterday, in the upper and lower halves of the bracket. Miss Wakeford's semi-final match is listed for 3:30, and Mrs. Ellis will play hers at 5:15, both on the courts at 16th and Fuller streets.

MRS. MALLORY BEATEN BY BRITISH RACKETER

By the Associated Press.
LONDON, June 16.—Mrs. Mollie Maltwood, Mallory, the American woman tennis champion, was defeated in the semi-finals of the Kent tennis championship in women's singles at Beckenham today by Miss Kathleen McKane, the British star, 6-1, 2-6, 6-3.

WILLARD-DEMPSEY GO NEXT FALL IS LIKELY

LOS ANGELES, Calif., June 16.—Jess Willard would give Jack Dempsey a better fight for the world heavyweight championship boxing title this year than he did three years ago at Toledo, in the belief of Jack Kearns, Dempsey's manager, commenting today on a virtual deft Willard issued yesterday.

"One of my reasons for thinking so is that Willard will be in much better condition than when he fought Dempsey," Kearns said. "I saw Jess several days ago and he is already in pretty fair shape. He will no doubt work hard from now on so as to be in the very pink of condition."

Willard is not going to take on Jack for the purpose of making any money because he had made plenty in the oil business during the last year or so. He is simply going into the ring to prove that he is a better man than Dempsey and absolutely thinks he is Dempsey's master. "I think I can beat him," Willard said again, but I really believe Willard will make a better showing this time."

Asked when the match would be held, Kearns replied that he felt "certain the match would be pulled off next September." He added that Jack would like one or two opponents in September, "the other one being Brennan, so you see he will have a busy time of it in the early fall."

Boxing Ready for Start at New Club Tomorrow
NEW YORK, June 16.—Declaring that he is unconvinced of Jack Dempsey's sincerity in his declared willingness to move to New York, a challenger, in a match for the heavyweight championship, Tex Rickard, sports promoter, said he was not impressed with the prospect of such a bout this summer or fall.

"I will say right now that Dempsey will never get \$200,000 for a fight with Will or anybody else," the promoter declared. "If he boxes for me he will work on a percentage and if he gets \$200,000 he will be doing well."

The promoter added that he had the same sentiment as regards "extending" guarantees in the case of Johnny Kilbane, featherweight champion.

Shipping Board Nines Best in Two Leagues
Nines of the Shipping Board pointed the way to opponents yesterday in two leagues. The big Mariners met the Veterans' Bureau aggregation in the Federal League and the Washington Nationals in the National League encounter. Hines of the victors clouted a homer and a double in four times at bat.

Western Union easily scored over Postal Telegraph in a 10-to-2 Commercial League fray. Two circuit smashes were made, Goodman of the winners and Thomas of Postal doing the swatting.

Shops just managed to nose out American Railway Express 9-to-8, in the Terminal R. R. Y. M. C. A. League. The losers outdid the winners, twelve safeties to eleven.

Grace Episcopal held to its winning stride in the Sunday School League, winning, 14 to 4, over Vaughn Class. The victors slammed seventeen hits, Matthews, Goodrich, Jenkins and Steele getting three each.

Annex No. 1, vanquished Liberty Loan, 13 to 2, in the Treasury League. Krucoff, Annex third sacker, clouted a pair of homers.

Good hitting by Punch and T. Barbour helped Bureau of Engraving and Printing to beat Government Printing Office, 17 to 1, in the Colored Departmental League. Each swatted three safeties, one of Punch's being for the circuit.
